

My Regulation Toolkit

EQUIPMENT & TOOLS LIST

These are some of the equipment and tools demonstrated in the videos.

Visual Timer

Makes time visible so transitions and task endings feel less sudden. Great for homework and routines.

amazon.com.au/dp/B0D3PW3VQ2
amazon.com.au/dp/B0F13BGDHC

Little Ouchies Fidget

A pocket-sized fidget for discreet sensory input during class or anywhere sitting still is expected.

amazon.com.au/dp/B0F6C2RDHP

Finger Grip Disc

A satisfying squeeze that delivers proprioceptive input to the hands and helps the nervous system settle.

amazon.com.au/dp/B0F99LZRTC

Wobble Cushion

Gentle vestibular and proprioceptive input while seated. Supports focus by giving the body something to do.

amazon.com.au/dp/B07VVNJHQ5

Hand Strength Squeeze

Squeezing and releasing provides resistive hand input to help shift out of a high energy state.

amazon.com.au/dp/B0BBRD59NQ

Smart Colour-Changing Light Bulb

Warm tones for calming, cooler tones for alertness. Lighting has a direct effect on the nervous system.

amazon.com.au/dp/B08GDC99PX

Worry Stones / Tactile Pads

Gentle tactile input through the fingertips. Calming, discreet, and easy to use anywhere.

amazon.com.au/Fidget-Toys-Sensory-Stone-Kids/dp/B0DZ5CG73Z

NeeDoh Niceberg Squeeze Toy

The firm, satisfying squish delivers deep proprioceptive input. Grounding and regulating.

amazon.com.au/dp/B0D9ZP62TR

Chewable Pencil Toppers

A discreet way to meet oral sensory needs at school without drawing attention.

amazon.com.au/dp/B07QDVRZVZ

Vibrating Face Massager

Vibration input to the face can be deeply calming for the nervous system. Great for a down-regulation routine.

amazon.com.au/dp/B08MB8RMSN

Reversible Sequin Pencil Case

A low-demand visual and tactile fidget. Calming to stroke, easy to keep on a desk.

amazon.com.au/dp/B0D2MHHZB6

DIGITAL RESOURCES

Binaural Beats — Spotify

Search 'binaural beats focus' or 'binaural beats sleep' on Spotify. Background audio that can support focus or wind-down depending on the frequency.

Search on Spotify: [binaural beats focus](#) / [binaural beats sleep](#)

Smiling Mind App — Free

A free mindfulness app with teen sleep stories, guided meditations for teens, and white noise. Great for sleep readiness and quiet down-regulation.
